PRESS RELEASE

Guide to elected officials released

A free publication that will help citizens contact their elected officials has been released by the League of Women Voters of Lafayette.

The **Guide to Officials Elected by Lafayette Parish Voters** provides complete contact information for all office-holders elected in whole or in part by Lafayette Parish voters, from members of Congress and the Louisiana Legislature, to state, multi-district, parish, ward and municipal office-holders. The Guide lists addresses and phone numbers and, where available, fax numbers and e-mail addresses with links.

The League's publication is the only comprehensive listing available for Lafayette Parish. "This is the kind of information that makes it easy for those interested in the election process or government in general, to stay informed," said Louis Perret, Lafayette Parish Clerk of Court.

The League undertook the project in keeping with its purpose of providing voters with the information they need to be active, informed citizens.

The Guide can be accessed at the League's web site, www.lwv-lafayette.org.
